Renovation of Sevastopol School #5, Ukraine

Questions and Answers

QUESTION: With regards to picture #108: In page 43 (technical specifications ver.002) write: “Red: Additional area requiring roof repair included in Option-4”. Red: actually roof repairs?

ANSWER: This is a mistake in the contract specifications. Red corresponds to complete façade restoration, described in paragraph 1.7.1 and clarified in picture#108-b of the Technical Specifications. It does not correspond to roof repair.

QUESTION: With regards to picture #108: Blue: Area requiring only façade restoration - it`s actually only requiring façade?

ANSWER: Yes, this is described in paragraph 1.7.2 of the Technical Specifications. It does not include new windows or doors, but includes façade restoration and painting the windows and doors.

QUESTION: With regards to picture #108: Blue - I understand correctly: the blue area to repair the façade is different from a green area. Green area - it`s full renovation and Blue area - repair of individual regions.

ANSWER: The green area corresponds to the area included under contract option -2. Contract option-4 does not include any work in the green area.

The blue areas include the work described in paragraph 1.7.2 of the Technical Specifications. Under this contract option, it is not required to replace the doors or windows. It must be noted that the blue areas in the central building include areas within contract option-3. Therefore, if contract option 3 and 4 are awarded, the blue section in the contract wing will require façade restoration and window replacement. If only contract option 3 is awarded, only the windows in the central wing will require replacement, but no façade restoration. If only option 4 is awarded,

the blue areas of the central wing would have the façade restored, but the windows and doors only painted.

QUESTION: With regards to picture #107: In this picture #107: In the green belt must be replaced only the window? Provided in this Green area renovation in façade?

ANSWER: Under contract option-3 only the window replacement is included. No work on the façade is included under this contract option.

QUESTION: Past Performance Questionnaire - This document must be completed by the client of our company?

ANSWER: The Past Performance Questionnaire should be completed by the client(s) of the design and construction projects that were completed by your company.

QUESTION: The Technical Proposal shall include the following 3 factors:

Factor 1, Corporate Experience -it`s documents Contract Data Sheet

Factor 2, Safety - it`s document drawn up on two pages about the safety of this project

Factor 3, Past Performance - it`s document on the past project that is signed by the client of my company

These three factors are sufficient for the technical proposal?

ANSWER: Yes, as stated in the solicitation, the Technical Proposal includes the following 3 factors:

Factor 1, Corporate Experience: Contract Data Sheet is provided as Attachment 2 of the solicitation for offerors to fill out for their submitted relevant projects.

Factor 2, Safety: Offerors must provide their narrative within two (2) single-sided pages, 8.5 X 11, with a minimum of 12 font. If more than two (2) pages are submitted, only the first two (2) pages will be evaluated.

Factor 3, Past Performance: Past Performance Questionnaire is provided as Attachment 3 of the solicitation for offerors to have their clients of relevant projects to fill out.

QUESTION: In checklist for submittals N33191-13-R-1240 includes : safety narrative. I understand this document as “Factor 2. Safety” - it`s correct?

ANSWER: Correct. The checklist is provided to assist offerors in ensuring they have met all of the solicitation submittal requirements. For Factor 2, Safety, a safety narrative is required.

QUESTION: Section 00600 - Representations & Certifications - it`s document includes in N33191-13-R-1240.pdf . In this documents I must to put the date and signature. It`s correct?

ANSWER: Offerors **MUST** sign and date the highlighted area in Section 00600 Representations and Certifications on page 14 of the solicitation.
